Sawtooth Star

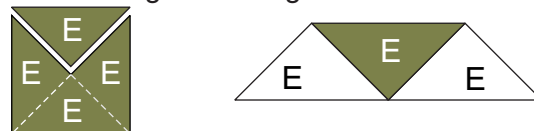

Place a yellow 2" square (C) on each red 2 x 3-1/2" rectangle (B). Sew diagonally through the square, then trim excess. Press to the red triangle. Repeat on the other side of the rectangle. Make four units.

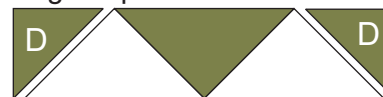

Sew a Flying Geese unit to opposite sides of the center yellow 3-1/2" square (A). Add a red 2" square (C) to the ends of remaining two Flying Geese units. Join to top and bottom of block to complete the 6" Sawtooth Star.

Block Outer Border

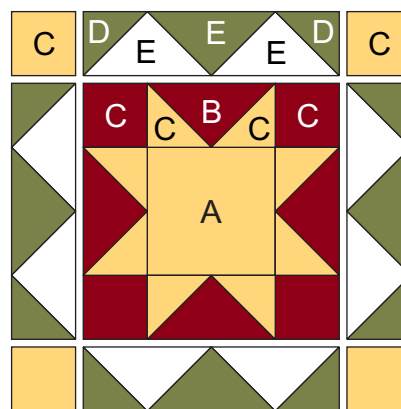

Sew two of the white quarter-square triangles (QS Tri's) (E) to short edges of a green QS Tri (E). Press toward the green triangles.

Attach a green HS Tri (D) to each side, the strip should now measure, 2 x 6-1/2". Or, use the paper piecing template below.

Sew a border unit to opposite sides of the center block. Attach a yellow 2" square to each end of the remaining two strips and sew to the top and bottom to complete the block!

*Paper Piecing Pattern
If paper piecing, you don't need to cut the green nor cream fabrics.
